Training

Cipher Schools

June 2024 - July 2024

Training Internship

Completed a MERN Stack Training Internship at Cipher Schools, gaining hands-on experience in MongoDB, Express.js, React.js, and Node.js. Built a Notes-Making Web App, implementing CRUD operations and managing state using React Hooks. Learned about RESTful APIs, backend development with Node.js & Express, and database management with MongoDB, strengthening my full-stack development skills.

Projects

Wallpaper Hub

May 2024

- Developed a full-stack wallpaper website using React, Node.js, and Angular for a seamless user experience.
- Implemented Create, Read, Update, and Delete functionalities.
- Implemented secure data handling techniques to ensure confidentiality.
- Implemented responsive design for seamless viewing on different devices.
- Tech: Angular, NodeJs, MongoDB

Restaurant Website Development | MERN Stack, Responsive Web Design

September 2024

- KA restaurant: Automated Restaurant Booking & Ordering System
- Developed restaurant management system using the MERN stack for seamless operations.
- Designed a responsive UI with smooth animations to enhance user experience.
- Optimized the system for efficient booking, ordering, and management.

Gym Management Website

October 2024

- Developed a Gym Management System using PHP, MySQL, and JavaScript for efficient member tracking.
- Designed a user-friendly and responsive interface for seamless navigation.
- The integration of role-based access control provided secure authentication for both administrators and members.
- Develop a mobile-friendly version or app of the system to provide members with on-the-go access to bookings, schedules, and personal progress.
- Tech: PHP, NodeJs, MongoDB

Certificates

- | | |
|--|--------------------------------|
| - NPTEL Online Certification – Cloud Computing | September 2024 - December 2024 |
| - Cipher Schools – React and MERN stack (Training and project) | September 2024 - December 2024 |
| - NIIT(Coursera) - Server side JavaScript with Node.js | March 2024 - May 2024 |

Technical Skills

- **Languages:** C, C++, JavaScript, PHP, Java
- **Technologies/Frameworks:** Angular, React JS, Node JS, Firebase.
- **Skills:** Tailwind, Problem-Solving, Responsive Web Design, Team Player, Communication, Multi-Tasking.

Education

Lovely Professional University Punjab

2022 – 2026
